Cross Agency Asset Management Forum

Transportation Performance Management (TPM) Mid-Plan Reporting October 30, 2024 1:00 to 3:00 p.m.

This session will provide information on TPM mid-plan reporting for PM1 (Safety), PM2 (Pavement and Bridge), and PM3 (Transit).

California just completed our mid-plan performance reporting for safety, infrastructure condition, system performance, and air quality. Come hear from Caltrans leaders in each of these areas and find out how we are doing.

Please join us! Registration information is below.

- Introduction Michael B. Johnson, State Asset Management Engineer, Caltrans
- PM1 Harsimran Bains, Caltrans
- PM2 Loren Turner, Caltrans
- PM3 Scott Sauer, Caltrans
